Bruce handed out a page showing the tasks and responsibilities currently managed by either board members or by the pro shop. It also identified what changes in tasks would occur should we go with the Golf Fusion website.

As Bruce indicated, the key to making the change is to allow members to sign up for events online.

After 30 minutes of discussion regarding the pros and cons of Golf Fusion, a motion was made by Joe Sargis, seconded by Josh Fedeli and passed in vote to move forward with Golf Fusion. This information will be included in Bruce's letter to membership that will be going out shortly.

At 8:10 PM a motion was made by Joe Sargis, seconded by Josh Fedeli and passed in vote to adjourn.
