Initial discussion regarding clarification of the July meeting minutes (there was no formal meeting and therefore no minutes in August) took place prior to their being approved.

Frank informed the board that there was a discrepancy between the 1 club length relief by the house on the right of the 10<sup>th</sup> fairway that was in the minutes and what was in fact printed (2 club lengths) in the local rules.

Ed also noted that the treasurer's report was accepted in July but was not included in the meeting minutes.

With that, a motion was made by Carl and seconded by Bob to accept the revised and clarified July meeting minutes.
